Dear Madam,

Re: LETTER OF APPRECIATION

With profound sense of gratitude, I'm writing you a thank you note to particularly express our deep appreciation and gratitude to you to having agreed set aside three consecutive days (part of your holiday) and come onto this end.

We're exceedingly grateful for exemplary services that you rendered not only to our students but also to the neighborhood at large. I want to sincerely show how much this has meant to the entire community. It's very true that through you and by so doing, God's great love to mankind is being exercised amongst His people and, at the same time you're participating in God's mission. In this short period of time, however, you'll have noticed the seriousness of ear problems in this part of the country.

We shall be ungrateful if I don't register a special word of thanks against a donation of an assortment of audiological equipment that you brought along with you. We've received the stuff whole heartedly and that the same shall be utilized accordingly. Hopefully, you would do more in future.

By copy of this letter, I want to recognize the presence of your attaché Madam Silvia Mayrhofer (your interpreter) to have played an invaluable contribution to your visit.

Once again, thanking you for calling and sharing. May God richly bless you in all you do for the glory of God and in the Name Jesus Christ.

Sincerely yours,
MUGEZA SCHOOL FOR THE DEAF

Emmanuel Lutabingwa.
